Host Your Event in Medora

EXPLORE IT. ADORE IT.
WELCOME

Medora has always been a place of dreams. From the Marquis de Mores’ dream of a cattle empire in the American West, Theodore Roosevelt’s dream of an idyllic but strenuous escape from grief, and finally to Harold Schafer’s incredibly bold dream of rebuilding a broken down cow town and preserving Medora’s western charm for generations to come. Today the dream lives on through the Theodore Roosevelt Medora Foundation and our many community partners. It is our mission at TRMF to preserve the Badlands experience, present the history of the west, and serve the traveling public here in Medora. We connect people to Medora for positive, life-changing experiences. We hope that, like Theodore Roosevelt, your time here might just be where “the romance of your life begins.”

The Theodore Roosevelt Medora Foundation invites you to host your next meeting or event in one of our beautiful venues, in the heart of these rugged Badlands.
FOR MANY PEOPLE MEDORA IS ALL ABOUT GOING TO THE MEDORA MUSICAL.

They went with their parents when they were kids. They went when they were in high school and when they were young adults. Then they went with their own children, and now they are taking their grandchildren to the show. Their family traditions live on and those traditions are profoundly important to great numbers of people.

Bring your family, company, or group to this uniquely North Dakotan celebration of Medora, Theodore Roosevelt, and America. You'll be giving them the gift of North Dakota's favorite family tradition.
