GROUP EVENT SERVICES

EXPLORE. GATHER. SERVE.

HELLO YOU NICE PEOPLE!

The vision for Group Event Services (GES) is to connect people to Medora for positive, life-changing experiences.

We've been inspired by Harold Schafer (the founder of the Theodore Roosevelt Medora Foundation - TRMF) to present opportunities for our guests to experience the Old West, our patriotic heritage, and the life of Theodore Roosevelt in the Badlands.

Whether planning a meeting or a conference for your organization, a wedding, a family reunion, or bringing a motorcoach group, we know that you want to have fun and for everything to be just right, so do we.

Our team has served over four million people since 1965 and no matter your group's specifications, we're grateful to host you while visiting North Dakota's #1 vacation destination: Medora.

We look forward to sharing our vision with you and making your dream become a reality.

TEAM GES

EXPLORE

Medora is a small town with a mighty punch. It's home to around 130 full-time residents year-round and increases to more than 500 people during the summer season with volunteers and staff to support over 3,000 visitors per day during the peak season.

Officially, we are known for the Medora Musical, Pitchfork Steak Fondue, and Bully Pulpit Golf Course. However, we are also home to the Theodore Roosevelt National Park, the North Dakota Cowboy Hall of Fame, and the newly announced Theodore Roosevelt Presidential Library, which is set to open in 2026.

Whether you love Western history, finding peace in the Badlands, or witnessing the best show in the West, we are sure there is more to explore than your eyes could ever imagine.

GATHER

With 12 unique venues and numerous meeting spaces, we can reserve and cater group events.

Our flexible event spaces have room for groups up to 300 plus people. Whether you need half a room for a small session, the Showhall for more intimate groups and meetings, or multiple venues in town, we can make it happen.

*"I love bringing our business to Medora.
It is the perfect place for any age or interest.
Medora has facilities that are close in proximity,
customer service that is outstanding, and an
atmosphere that provides the perfect opportunity for
building strong relationships among employees and
facilitating strategic planning for our company."*

SERVE

Located in the heart of the Badlands, be prepared for Medora to take your breath away. With the majority of our venues being outdoors, we want to be sure your group has the best experience.

Our goal is to prepare a space suitable to your needs, from social hours to business meetings, to make for a memorable event.

REVIEWS

“As a tour director and operator, I am always looking for interesting, quality entertainment along with great food and hotel accommodations. Medora has left an imprint on our hearts that will last for years to come! The quality of entertainment, food, hotel, guest interaction, and intelligent customer service was exceptional from beginning to end!

The Medora Musical was spectacular, from quality musical entertainers to the pyrotechnics and behind the scenes details, this was one of the best shows we’ve seen in a long time! I personally loved the attention to the wholesome honor placed on Teddy and his faith! Thank you, Theodore Roosevelt Medora Foundation, for honoring America and its traditional faith-filled heritage! This will keep us coming back time and time again! And the mountainside theater was shockingly stunning! Well done!

The Pitchfork Steak Fondue was delicious for starters! The steak was so tender and flavorful, we still get comments from our customers almost a year later that this was one of the best meals ever! Additionally, the atmosphere surrounding the dinner was fantastic! Yard games, actor impersonators, live music, this event has it all!

We spent an afternoon with a step on guide, provided by the Theodore Roosevelt Medora Foundation staff, inside the area’s National Park! He was knowledgeable about the area and some Theodore Roosevelt history and kept our group entertained. Our groups so enjoyed their time in the park! Also inside Medora, we had lunch provided with a small presentation at the North Dakota Cowboy Hall of Fame, in town, fully submerging ourselves into Teddy’s Cowboy ND culture. It was a wonderful location to bring a large group! There were more events we could have chosen from, but didn’t have time to choose them all but we look forward to trying some of the others the next time we return.

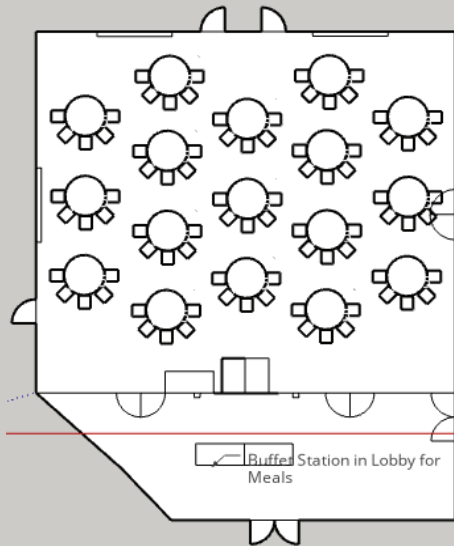

Finally, I think it’s noteworthy that as a group of about 100 people in 2 motorcoaches were comfortably separated into 2 of the Theodore Roosevelt Medora Foundation hotels, the Badlands Motel & the Rough Riders Hotel. Everyone enjoyed their stays in the very comfortable surroundings in both locations. And though the Rough Riders Hotel is a little more costly, it is definitely more posh and worth the investment for groups. It was historically and artistically well done.

Whether you’re looking for a great 1-2 night stay on your way out West/East or you’re looking for an inspirational final destination, we at JAG Motorcoach would highly recommend considering Medora, North Dakota! You’ll be so glad you did!”

ONE **BIG LITTLE VACATION**

You can measure Medora by its size. 130 people, give or take. But you can't measure the effect it has on the people who visit. This place speaks to you, the same way it spoke to a young Theodore Roosevelt. It's the way the horizon expands. The way an afternoon moves at its own good time. The way whatever notification lighting up your phone feels a little less important. This place may be a tiny dot on the map. But, by the time you leave, it'll hold a big place in your heart.
